#	NO PLEASE SUGGEST ALTERNATIVE LOCATIONS.	DATE
1	Ideally a better location would be where the shops are. I only know they are there as I was directed there by a local business that I use. However i suspect that relocation would be unlikely so don't think that these toilets should be closed.	3/21/2019 11:14 PM
2	Close to the various public car parks located around the Pakefield Cliffs, so that anyone enjoying the beach can spend longer there. The complete lack of public toilets anywhere along the Pakefield Beach is unacceptable.	3/21/2019 2:57 PM
3	No other site, people getting on and off buses need to use the	3/20/2019 1:36 PM
4	There are no public conveniences southward along the promenade and cliffs after those located by the Sunrise Cafe. Use of public conveniences situated somewhere along here would be welcomed and used by a much greater number of people	3/18/2019 8:31 AM
5	On the Seafront where there currently aren't any, because the new ones serve only the beach huts ....	3/17/2019 4:06 PM
6	I didn't know these toilets existed, but would have found them quite useful when walking the dog at Pakefield beach. Perhaps better signage??	3/16/2019 11:19 AM
7	At some point near to the cliff path between Pontins and Pakefield Street	3/16/2019 10:07 AM
8	London road	3/15/2019 12:00 PM
9	Nearer to Sea front activities. Could also be sign posted better. Doubt if visitors would know or see they were available.	3/12/2019 10:47 PM
10	Near the Jolly Sailors	3/8/2019 10:29 PM
11	Parking is a problem. They are opposite a busy store. Perhaps they would be better nearer the beach, where free toilets are available to beach hut owners only	3/8/2019 9:49 PM
12	Toilets would be more beneficial closer to the cliffs where there was once a toilet near pakefield church	3/8/2019 12:41 PM
13	Ashburnham way	3/7/2019 4:54 AM
14	Closer to beach	3/5/2019 11:55 PM

## Viability of Pakefield Street Public Convenience

15	Closer to the sea front, Pakefield Beach is very busy all year round and there is no signage for the public loos.	3/5/2019 6:16 AM
16	North Denes	3/4/2019 1:27 PM
17	Pakefild beach for those without one of the new beach huts with some outdoor warm showers too please.	3/4/2019 12:59 PM
18	Have seen these toilets being used by passing motorists, adding to the parking problems in Pakefield Street. There are now no public toilets serving Pakefield beach/cliffs. The public toilets by Pakefield church should never have been sold off. This site was handy for both locals and visitors walking the cliff path.	3/4/2019 12:40 PM
19	Where there used to be public toilets, ie at the sea end of Pakefield street near the church.	3/4/2019 11:14 AM
20	seafront	3/4/2019 11:05 AM

## Q5 If it were concluded that these toilets will be closed, are there any alternative uses for the building that you would like to suggest?

#	RESPONSES	DATE
1	None that I am aware of	3/25/2019 9:15 AM
2	No	3/23/2019 3:29 PM
3	Nothing viable here	3/22/2019 4:14 PM
4	I	3/21/2019 11:14 PM
5	Mini playground for the under 5s.	3/21/2019 2:57 PM
6	Consider what is happening in Ipswich because of a lack of toilet facilities. Do we really want to see urine & faeces on our streets?	3/20/2019 9:57 AM
7	Not housing as too small	3/19/2019 12:22 PM
8	As in the previous answer, closer to the sea in Pakefield. There are no Public Conveniences southward along the promenade and cliffs from the Sunrise Cafe - leaving considerable and increasing numbers of people very poorly served	3/18/2019 8:31 AM
9	Shop would be good but parking atrocious on this road already for the shop opposite, so perhaps you should charge them to use it for parking for their shop	3/17/2019 4:06 PM
10	Holiday home.	3/17/2019 12:55 PM
11	No	3/16/2019 2:15 PM
12	No, as I feel that the use at present as a public convenience is correct.	3/16/2019 1:23 PM
13	No. Best place is where they are already situated.	3/16/2019 1:20 PM
14	It should not be concluded that these toilets are closed. If they more provision should be put in place, perhaps closer to the beach.	3/16/2019 11:19 AM
15	No because they should stay as toilets as everyone needs to be able to access a toilet even when god forbid you bare to venture out of your own home or earn your living working outdoors with hardly any available facilities, it's a health issue that shouldn't be subject to cutbacks unlike say for instance water fountains designed to look attractive but cannot be appreciated if in pain because of lack of toilets	3/16/2019 9:36 AM
16	no much more useful as it is	3/15/2019 5:50 PM
17	Keep as public toilets. We are losing too many public loos across the country.	3/15/2019 5:03 PM
18	With the space available -- NO	3/12/2019 10:47 PM
19	No, keep them open	3/10/2019 5:07 PM
20	No keep it as a toilet as there are no others in the area, and people have to go somewhere what are people supposed to do when there are no public toilets.	3/10/2019 12:20 PM
21	No	3/8/2019 10:29 PM
22	Too small a plot. They should not close. The alternative, in Saxon Road were closed a few years ago, and sold. The money raised from that should be used to maintain this sole remaining facility	3/8/2019 9:49 PM
23	We lost so much with wdc, thought things would be diffrent when we got our own town council, when you are an oap like myself you really need these toilets.	3/8/2019 9:08 PM
24	No, we need public toilets close to the shopping area. What posible use would the small foot print of the existing toilttes be for anything else	3/8/2019 7:32 PM
25	No I hope it's never closed	3/8/2019 11:08 AM
26	The council should provide public toilet facilities	3/8/2019 9:29 AM

## Viability of Pakefield Street Public Convenience

27	Vegetable stall. Mini garden/plant shop. Library. Information centre	3/7/2019 10:38 PM
28	craft workshop	3/7/2019 4:54 AM
29	How does closing these facilities encourage visitors???	3/5/2019 4:19 PM
30	no	3/5/2019 2:28 PM
31	Only an idiot would consider closing these. They are in use a lot by delivery and taxi drivers. There are no other facilities nearby.	3/5/2019 6:16 AM
32	Demolish all existing buildings which WOULD INCLUDE DISCRIMINATION AGAINST THE DISABLED (radar toilet) AND SUBSTITUTE Car parking short term to allow shoppers space to visit local shops. The parking in the area is bad because shop workers park long term taking up spaces that are needed for those visiting.	3/4/2019 11:11 PM
33	I live next door but one to these toilets and I am sick to death of my drive being used as a location for people to have a piss up against. I have come out several times to catch people urinating up my back gate. It is disgusting and when my family and there young children come around they cannot play in the back garden for that reason. The problem would only be made worse if the toilets closed	3/4/2019 7:15 PM
34	If these were to close the nearest toilet would be next to Zaks on the seafront. For people like myself who are unable to walk very far it would be awful. My children almost always use them as well.	3/4/2019 7:00 PM
35	No. There are insufficient public toilets already and these should be retained.	3/4/2019 6:52 PM
36	What other use for the building could there possibly be? Rediculous. Perhaps the council just want to sell it for more £s to spend on the public services that they provide .... oh wait ...	3/4/2019 6:33 PM
37	None, it would be a travesty if they were to close	3/4/2019 6:27 PM
38	Sold for development	3/4/2019 1:27 PM
39	NOT a tattoo parlour, beauty salon or hairdressers!	3/4/2019 12:40 PM
40	People living in the immediate vicinity should be given the opportunity to decide - I live a mile away so don't feel it's for me to say	3/4/2019 11:14 AM
