Lowestoft Town Council  
Meeting of the Planning and Environment Committee  
First Floor, Hamilton House, Battery Green Road, Lowestoft NR32 1DE  
17:00 on Tuesday 12 March 2019

MINUTES

Present: Cllrs Susan Barnard, Amanda Frost, Alan Green, Peter Knight, and Alice Taylor (Chair).  
In attendance: Sarah Foote (Deputy Town Clerk) and Cllr Ian Graham as an observer who left the meeting at 17.23.  
Public: There were 12 members of the public in attendance

544. Welcome  
The fire evacuation procedure and public right to report were explained and the meeting was welcomed.

545. To receive and consider acceptance of apologies for absence  
Apologies were received from Cllr Allyson Barron and Cllr Parker. Cllr Knight proposed acceptance of the apologies; seconded by Cllr Frost; all in favour.

546. Declarations of Interests and dispensations  
It was noted that Cllr Knight had previously been granted a dispensation to report on items related to developments at the CEFAS site.

547. To consider the accuracy of the Minutes of 26 February 2019  
Accepted as accurate. Proposed by Cllr Knight; seconded by Cllr Frost; all in favour.

548. Public Forum  
Members of the public, mainly residents of Kirkley, expressed their concern for Planning Application DC/19/0754/FUL and the detrimental effect it would have on the Cleveland Road residential community.

549. Planning applications  
Consideration of the following planning applications (all available on www.eastsuffolk.gov.uk) and decide the recommendations of the Council:

<td>31, 33, 35, 39 and 43 Cleveland Road - Conversion and change of use from five residential dwellings (No. 31, 33, 35, 39 and 43) to provide 14 units of supported housing accommodation with support staff accommodation</td>
<td>Kirkley</td>
</tr>
</tbody>
</table>

It was proposed by Cllr Frost, seconded by Cllr Knight and unanimously agreed to recommend refusal of this application. WLP8.4 Conversion of Properties to Flats. Flat Saturation Zone. States no further conversions will take place in Cleveland Road. This policy alone should result in refusal of the application. The submitted site layout document clearly shows the conversion of these houses to 14 flats. WLP8.39 Conservation Area. The application is for an area within the southern Lowestoft Conservation Area. To date there has been no consultation with the Conservation Officer. There are several matters in the application which would be contrary to the conservation area setting, one being the conversion of wooden windows to PVC. Something the planning authority has refused for other dwellings in this road. To ensure Part M compliance (as detailed in the Design and Access statement) to design and character of these houses would need to change. This is not appropriate in a conservation area. WLP8.30 Housing Design and Density. Seeks to restrict new uses for buildings which would result in substantial harm to a building or its setting. The Town Council feels strongly that this application would be contrary to this policy. Other material considerations are Lack of parking provision in the area to accommodate possibly in excess of 16 vehicles, The cumulative impact of such an application on a ‘cul de sac’ road, Disturbances created from the largely increased number of residents, and visitors/staff, who would be accessing the flats, Lack of appropriate bin storage.

It was proposed by Cllr Taylor, seconded by Cllr Knight and unanimously agreed to recommend refusal of this application. There were no details submitted with the application if any public consultation has taken place on the transfer of public amenity land to a private dwelling. The Town Council would ask on what basis a decision to transfer public land to an individual dwelling has been made and why the 'new and more attractive fence' could not be erected in the location of the existing fence i.e. in the existing curtilage of 3 Squires Walk. The Town Council is concerned about the loss of public amenity land this application would result in. This piece of land is earmarked to be protected as open space in the emerging Lowestoft Neighbourhood Plan (NPPF para 100. Para Waveney Local Plan 8.23).
The Working Group had met and were progressing the first policy which was the ‘Living’ policy. Members were also working on listing sites for designation as areas of Open Space and it was requested that St Margaret’s Churchyard be added to the list.

572. Licensing
573.a Parravani’s Ice Cream (two vans) any consent street in the Waveney area (renewal)
573.b Iris Ices (ice cream selling bicycle) Between Claremont Pier and The Jolly Sailors Public House along the Upper and Lower Promenades (new application)
The above two applications were considered and it was proposed by Cllr Knights, seconded by Cllr Green and agreed to support both.

574. Sites under ongoing consideration
Kensington Gardens - the Town Council had been asked if the currently temporarily vacant building (former MO Battery in Kensington Gardens) in its ownership could be used for pop-up art installations. This would be pursued further particularly if a change of use planning application would be required.

CEFAS – Cllr Knights reported that the walls of the new building were up and the building was taking shape

575. Resident infrastructure concerns
None reported to the Council.

576. Date of the next meeting
16:00 on Tuesday 26 March 2019.

577. Items for the next Agenda
No items were requested for the next agenda.

578. Resolution to close the meeting to the public
There were no confidential matters for consideration.

The Chair closed the meeting 18.32
