

Item 151 - the Broads Authority's guide to understanding and addressing the impact of new developments on peat soil

The Broads Authority have adopted a guide to development on peat.

We have assessed the responses to the comments we received during the consultation. The adopted Guide and the comments received, our responses and any amendments as a result of comments can be found here: <https://www.broads-authority.gov.uk/planning/planning-permission/design-guides>

This Guide will be used to help determine applications that may impact on peat.
