

**Item 119 – ‘Treebilee’ Project**

East Suffolk Council is supporting ‘Treebilee’, a project launched by HRH Prince Charles to encourage the planting of trees during a year-long celebration of the Queen’s 70-year reign in 2022.

As part of its involvement in the project, the Council has purchased 200 oak trees which will be donated to every town and parish council in East Suffolk. Not only will this mark the very special occasion, but it will also help tackle climate change and contribute towards East Suffolk Council’s vision to create environmentally sustainable communities.

The attached letter from Cllr Mallinder, Cabinet Member for the Environment, gives full details of how your council can take part.

Please direct any queries to myself – registers of interest for taking part should be made by the 10<sup>th</sup> December.
