

Item 39.1b Additional information from Lowestoft Carpet Bowls Club regarding grant application

I have put forward an application for a bank account with Nat West, just waiting to hear from them. The equipment we are purchasing is 4 bowls carpets and 4 sets of bowls, these are second hand. To purchase a complete set of one carpet and one set of woods new a starter pack is £972.00 as sold by Newitts on the Internet. So 4 new sets would have cost £3888.00. With regards to extending the membership we will put adverts in local magazines, notices in the hall and other notice boards i.e supermarkets etc. Should you require any further information please let me know.
