*On 1 April 2019, East Suffolk Council was created by parliamentary order, covering the former districts of Suffolk Coastal District Council and Waveney District Council. The Local Government (Boundary Changes) Regulations 2018 (part 7) states that any plans, schemes, statements or strategies prepared by the predecessor council should be treated as if it had been prepared by the successor council. Therefore this letter comes from East Suffolk Council and depending on the timing of the decision, the relevant local planning authority referenced on the decision notice may have been Suffolk Coastal District Council or Waveney District Council. The appeal decision and communication from the Planning Inspectorate may make reference to the respective former determining authority.
