

I am emailing you to bring to your attention a public consultation that East Suffolk Council is carrying out to seek views on whether the Council should introduce restrictions on the use of fireworks on land owned by the Council, which your organisation may wish to be aware of: [New consultation seeks views on firework displays » East Suffolk Council](#) The direct link to the survey itself is via: [Firework displays on council-owned land in East Suffolk Survey \(surveymonkey.com\)](#)

Note that the consultation is limited to seeking views on the Council's policy towards fireworks events that take place on land owned by the Council only. Events that take place on private land and in homeowners' gardens are beyond the scope of this consultation.

The consultation is open until 20 May 2022.

Yours sincerely,

Daniel Wareing
