

Lowestoft Town Council Grant Awarding Policy

1.0 General Information for Applicants

- 1.1 Lowestoft Town Council has statutory powers to make funds available to local organisations for the overall benefit of Lowestoft and its residents. These provide an option (not an obligation) to make grants and Lowestoft Town Council has adopted this policy to help guide relevant decisions. Any groups or organisations wishing to apply for a grant should read this policy carefully.
- 1.2 In addition to outlining Lowestoft Town Council's guidelines for awarding grants, this document also formalises the application process to provide clarity, openness, and fairness. The Town Council reserves the right to deviate from this policy where it considers it appropriate to do so.
- 1.3 It is Lowestoft Town Council's intention to support initiatives from local community groups and organisations and it has set an annual budget for this. Applications will be considered monthly by the Finance and Governance Committee. The annual budget set is the maximum budgeted total amount for all grants and does not represent an obligation by the Town Council to spend this money on grants.
- 1.4 The size of any grant awarded is at the discretion of the Town Council, but would not normally exceed £2,000 in any one application.
- 1.5 Where the application provides a breakdown of costs, a quotation or other supporting evidence must be provided in respect of the sum being applied for.

Please provide details of the project and how the project will benefit the people of Lowestoft (250 words max).	<p>Dentaid will take our mobile dental unit to the Historic Triangle Market in Lowestoft led by a volunteer dentist and dental nurse from the Lowestoft area and will create dental care plans for those in the most urgent need of care. We will initially carry out one clinic. Patients will receive fillings, removals, teeth cleaning and cancer screening. It may be that we need to see people several times to ensure that all needs are met as some are highly likely to have significant dental issues.</p> <p>Continuity and consistency of care is vital to the long-term success of our clinics. It is very likely that we will need to return after the initial clinic as the need is so great and there is a complete lack of alternative care available. We anticipate that we will support approximately 10 people in this initial clinic, and we hope that we will return to Lowestoft for further</p>
