

Pakefield Green (Wellington Road) Play Area

Background

Pakefield Green is a play area containing equipment for toddlers and juniors, including a spinner bowl, climbing frame, see-saw and cradle swing. Two flat swings were removed on health and safety grounds but the frame remains.

Though some of the equipment is old, it is generally in good order overall, with the main issues picked up on the last inspection being worn paintwork, surface corrosion and rust, which are all treatable. The grass mat surfacing has however become compacted and will need replacing. The site was assessed as 'low risk' overall.

Space permitting, the following equipment could be considered:

'Abu Dhabi'

Age range: 18 months – 6 years

Price: From £7,838 (not including delivery installation, safety surfacing or VAT)

'Stratosphere'

Age range: 18 months – 2 years

Price: From £3,899 (not including delivery installation, safety surfacing or VAT)
