

**Lowestoft Town Council**  
**Meeting of the Planning Committee**  
**First Floor, Hamilton House, Battery Green Road, Lowestoft, Suffolk, NR32 1DE**  
**18.45 on Thursday 8 February 2024**

**MINUTES**

**Present:** Cllrs Wendy Brooks, Jen Jones (Chair), Christian Newsome (Deputy Chair), Andy Pearce and Elise Youngman

**In Attendance:** Lauren Elliott (Project and Committee Clerk) and Taylor Williams (Committee Clerk)

**Also in Attendance:** Three representatives for the development of the Land of Waveney Drive and Ben Woolnough (East Suffolk Council)

**Public:** Five members of the public (in person)

**151. Welcome**

The fire evacuation procedure and public right to report was explained and the meeting was welcomed.

**152. To receive and consider acceptance of apologies for absence**

No apologies were received and all Committee members were in attendance.

**153. Declarations of Interests and dispensations**

a. To receive declarations of Disclosable Pecuniary, Other Registerable and Non-Registerable Interests from councillors on items on the agenda – Cllr Pearce declared he was the Chair of Gunton Residents Association and the Lowestoft Town Council (LTC) representative on the Lowestoft Kittiwake Partnership.

b. To consider written requests for dispensations and note dispensations granted – No written requests for dispensations had been received.

**154. Public Forum**

a. To consider any advance comments from the public on any matters on this agenda – One member of the public read his advanced comments on the need to consider flood risk mitigation for the development. Members of the public would be permitted to ask questions after the presentation of item 156.

**155. Minutes**

a. To consider the draft Minutes of 25 January 2024 – Cllr Brooks proposed approval. Cllr Pearce raised two items of concern: one misspelling on page two and the missed request for a holding objection under application DC/23/4865/FUL. Cllr Brooks amended her proposal to approval subject to officers checking and amending the minutes as requested; seconded by Cllr Pearce; all in favour.

**156. To receive a presentation on proposed development at Land off Waveney Drive**

The three presenters introduced themselves as representing Pegasus Planning Group, Status List and the architectural firm respectively and presented the development plans for the site. This development included five-hundred homes, 3.2 hectares of employment land and maintained access to the wharf facilities. There were development constraints with flood zones two and three on the site and solutions were being sought for this, such as raising the land, as opposed to relying on the flood barrier.

The Waveney Local Plan and Lowestoft Neighbourhood Plan were being reviewed, particularly with regards to the biodiversity and environmental considerations, and the site plan included a green corridor and visual sightlines to the waterfront.

The presenters assured the Committee that this development would benefit the community with a transformed site, new homes and job opportunities (throughout the construction phase and after completion of the project). A public exhibition was planned for 14<sup>th</sup> February at East Point Pavilion from 14:00-19:00, which the presenters encouraged members of the public to attend. The planning application was intended to be submitted in spring 2024.

The Committee raised concerns on the flood risk of the site, if the site was suitable for housing development and what infrastructure would be available for the area. The Committee added that

mitigations for the site contamination and economic viability would need to be evidenced in the application and requested assurances on whether any future regeneration of the inner harbour would be jeopardised by this development.

The presenters confirmed they were aware of the decontamination works and all other concerns raised would be considered and evidenced in the application.

Members of the public also raised the need for flood risks to be mitigated and for the five-hundred homes to have infrastructure. The presenters assured the public that they would demonstrate the mitigations of flood risk and infrastructure in their application.

*At 19:29 the three presenters and three members of the public left the chamber*

*The Project and Committee Clerk temporarily left the chamber at 19:29*

*The Project and Committee Clerk returned to the chamber at 19:30*

**160. To receive feedback from the East Suffolk Planning Forum**

It was agreed to bring item 160 forward in the meeting to discuss with Ben Woolnough present. Cllr Brooks had attended the forum and commented on the good attendance, which Ben Woolnough confirmed to be over one-hundred attendees, and how informative the forum was, though noted that the new Call-In system seemed overly complicated.

Cllr Pearce raised issues with Lowestoft Town Council not being allowed to provide input on the scheme of delegation or have representation at the meeting, highlighting what he felt was a lack of openness and accountability with East Suffolk Council.

Ben Woolnough assured the Committee that East Suffolk Council had been working to address the issue of the referral process and engage with all one-hundred-and-seventy-five town and parish councils, whilst working within the process of delegation, and noted the new process would be monitored after six months.
